Experience

Institute Polytechnic of Santarém

Assistant designer and communication - 03/2022 - 08/2022

I participated in national and international training and projects. Created handbooks, infographics, logos and presentations. Translated documents and videos into English, managing content on Moodle, and taking part in the DID.Value training course in Turkey.

Benavente Town Hall

Assistant designer - 01/2019 - 04/2019

Completed a curricular internship during high school, focusing on graphic design and public communication. Designed and produced visually engaging posters for various local events, effectively applying design principles to communicate key messages and capture the attention of diverse audiences.

Mud'Ideias

Store assistant and designer - 06/2018 - 07/2018

Gained hands-on experience with printing processes, pre-press operations, and file preparation during my internship. Applied graphic design skills in a professional setting, ensuring print-ready materials met technical and aesthetic standards for high-quality production.
